and in this glorious vision she instructs that our endeavours must be
about the liberation of the woman the emancipation of the man and the
liberty of the child it is these things that we must achieve to give meaning
to our presence in this chamber and to give purpose to our occupancy of
the seat of government and so we must constrained by and yet
regardless of the accumulated effect of our historical burdens seize the
time to define for ourselves what we want to make of our shared destiny
the government i have the honour to lead and i dare say the masses who
elected us to serve in this role are inspired by the single vision of creating
a people-centred society accordingly the purpose that will drive this
government shall be the expansion of the frontiers of human fulfilment the
continuous extension of the frontiers of the freedom the acid test of the
legitimacy of the programmes we elaborate the government institutions
we create the legislation we adopt must be whether they serve these
objectives our single most important challenge is therefore to help
establish a social order in which the freedom of the individual will truly
mean the freedom of the individual
